

## Even More Labyrinths Ordered!

July 3rd, 2024 – Houston, Texas

In just 2 weeks since our last announcement, Barrels of Fun sales of *Jim Henson's Labyrinth* has jumped past 750 to 822 orders! With an announced total edition of just 1,100 units, there are now 278 slots left in the production schedule!

All new orders will be produced in January-February. Again, no rush, but if you love that new-in-box pinball machine experience, it's time to start thinking about talking to a distributor ([shop.kollectfun.com/distributors](http://shop.kollectfun.com/distributors)).

We are all celebrating and we wish each of you a Happy 4th of July!

If you have not played *Jim Henson's Labyrinth* watch for a "Barrel's Bash" at a near-by location where they will be rolling out this fantastic game!
